

M.A.E.N stands for „Mehr als ein Niemand“ (More than no one) and is a German rap project with its focus on deep lyrics and emotional beats.

„It's fine because I'm going my own way“, by this motto M.A.E.N sheathes beats with his words and lets himself go from his past.

„Due to his lyrics M.A.E.N encourages anyone to talk freely about his or her problems and to speak about topics which are labelled as taboo subjects“, commented a user on Instagram.

With over 44,000 streams M.A.E.N proves that his music is slowly appealing to everyone. M.A.E.N also held concerts in various locations and impressed listeners with his musical skills.

Right now, M.A.E.N. is working on his own music label called “CNTPD [ˈsɛntɪˌpɪd] Records”, which gives artists the possibility to release music. Moreover, CNTPD Records provides services in the area of music, photography and videography.
